

Central Board Minutes  
October 26, 1960

The meeting was called to order by President Paul Ulrich in the Silver Bow Room at 4:00 p.m.

The minutes were read and corrected as follows:

October 19: Page 3, Douglas Kirk changed to Russell Kirk; Mike Cousins changed to Norman Cousins; page 5, line 7, Adams changed to Ulrich; page 7, under those listed present, Dwelle is misspelled.

October 20: approved as read.

October 23, joint meeting: page 1, forfeited was misspelled; Dean Glynn was misspelled in paragraph 3; page 2, under those present from MSC, Koski was misspelled, Bobbie Garry and Dean Glynn should be added.

October 19 and October 23 minutes were approved as corrected.

Ulrich read a letter from Herbert Palace of Palace Airlines, announcing that reservations could be made for a flight to Paris and London during June on a DC-4.

BUDGET AND FINANCE

Bon announced that at the last meeting Budget and Finance had committed \$4134.67 from the general fund leaving \$3286.71 to work with for the rest of the year.

He announced that the Rifle Club had appeared before B&F requesting an allocation. Bon moved that Central Board approve an allocation of \$232.50 to the Rifle Club to be used for shooting jackets, kneeling pads, sling cuffs, flings and front and rear sights. Colness seconded. Bon said that a subcommittee had reviewed this appearance and had approved it. This club is open to girls. Morris asked if they had been given money last year. Bon said that \$840. had been allotted in the regular budget for travel, but that they haven't bought any equipment for approximately five years. Johnson said the sum in the motion was \$50 more than the club actually needed; Sgt. Greenway had listed the equipment needed in order of priority with \$179.00 listed as necessities. This amount to be allocated would include all things requested with the exception of a spotting scope. This equipment when purchased, would be stored in the ROTC building. Morris asked why the ROTC department didn't sponsor this activity. Bon said that this isn't under the ROTC at all; there are 35 to 40 members who are in competition. There are "shoot-offs" with letters awarded by the athletic department. The motion passed, 11-3, with Morris, Carlson, and Johnson opposed.

Bon reported that the Hockey Team had appeared before B&F. He moved that Central Board allocate \$560. to the Hockey Team to be used for 15 pr. hockey pants, 15 jerseys, 30 pr. socks, 1 pr. goalie gloves, a goalie protector, and a goalie pads; this equipment will belong to ASMSU and will be stored in an authorized place to be approved by Central Board. Johnson seconded. Bon said that this had been brought before B&F the week before but had been postponed until the

had received more bids on equipment and supplies. This amount thus specified is the lowest bid received. Whitelaw said that this was quite a chunk of money, leaving only \$2500 left in the general fund. Bon said that the rest will be only used for emergency; all regular expenditures have been accounted for. He also said that B&F does look into each case with an eye on the future and won't be cutting their own throat. Cogswell asked how the hockey team operated. Bon said that it is trying to organize a league. It has three approved advisors--Dr. Betsky, Dr. Tatsuyama, and Dr. Swanson. Some games have been approved and more are in the planning. Ulrich said that the athletic committee would be approached to include these minor sports. Next years budget should have the athletic budget reduced by the amount needed for these sports. Bon said that games have been scheduled with Gt. Falls, Salt Lake City, and with the University of British Columbia; it is impossible to schedule a game here because of the condition of the ice skating rink. Johnson said that other schools have found a definite way to support hockey teams and that a rink in the future is probable. Carlson said that all available funds are tied up now and that he doubted that there would be an addition to the rink in ten years. Datsopoulos said that in Denver the hockey games netted more profits than did the football games. Bon said that when this team was first organized it was approved by Central Board as representing the University, so Central Board is almost obligated to support it. The motion passed 11-0, with Stone, Oswald, Cogswell and Carlson abstaining.

Firman Brown of the Drama department appeared before B&F to report that "All the King's Men" has been invited to attend the Rocky Mountain Theater Conference, October 29, and to request ASMSU's underwriting travel expenses of \$50. Bon moved that ASMSU underwrite the Drama Department \$50.00. ~~Johnson recommended~~ Johnson reported that Brown had said he was guaranteed \$175, but thought he would need between \$200 and \$225 for travel expenses. Johnson said that this department only came to Central Board when they needed underwriting; they have been self-supporting and have seldom used the underwritings. Therefore Central Board could allow this to be done even without the usual expense breakdown required. The motion was carried, 13-1, with Ulvila opposed.

#### VICE PRESIDENT

#### TRAVEL COORDINATION

Datsopoulos reported that travel plans had been made so that the following tours will occur:

The University Band will tour the Great Falls, Helena, Havre, and Sunburst areas, with possibly Canada, Anaconda, Fort Benton, Shelby, Cut Bank, Conrad, and Choteau.

The University Choir and Symphonette will go to Anaconda, Butte, Helena, Bozeman, Livingston, Drummond, Deer Lodge, and Three Forks.

The Jubileers will tour Ronan, Polson, Thompson Falls, Wallace, Spokane, St. Regis, Coeur D'Alene, Sandpoint, Dalispell, and Whitefish. The Opera Workshop will go to Libby, Great Falls, Lewistown, Billings, Laurel and

Roundup. The Ballet Theater will go to Bozeman, Billings, and Helena. Debate and Oratory to Miles City, Glendive, Sidney, Wolf Point, Glasgow, and Chinook.

#### STUDENT UNION

Datsopoulos reported that the group attending the Student Union Convention in Davis, California, would be leaving early Thursday morning. This includes Ulrich, Barbara Wheeler, Ann Bartlett, Dave Rianda, Dr. Shannon, and Datsopoulos. The group will be stopping at Universities in Reno, Nevada, and Eugene Oregon, during the trip. A full report will be given later.

#### LEADERSHIP CAMP

Datsopoulos said that the dates for Leadership Camp have been changed to the last weekend in April. By doing this the Camp will not conflict with the P.S.P.A. Convention and both outgoing and incoming officers of ASMSU will be present.

#### STUDENT-FACULTY COMMITTEES

Bob Sankovich, coordinator of Student-Faculty committees, reported on progress made in each of the six committees. The Library Committee, under Dr. Browman, has been interviewing committees in the Library to decide those needs. Next quarter will see a complete report on this. The Student Health committee has not met as yet. Two topics for discussion are: whether shots for flu should be given in the fall, and whether to abandon physical examinations during Orientation Week and have students fill out questionnaire. The Museum Committee will meet in November. Dr. Turner is chairman of this committee. He hopes to get a central building for the museum instead of having departmental museums in every building on campus. Scheduling B and Student Employees Committee, under Mr. Partner, is now a general policy discussion committee and will meet periodically. Campus Development, under Dr. Lory, has not met. Honors Program, Dr. Gnessin, will meet before November 30, with the director of superior students. The plan is to increase the honors program. Ulrich said that the coordinator position was created last spring for the enlightenment of the Central Board. Closer contact may be kept and so can help hold up the student end of responsibility. Sankovich said that he hopes to get background material from Dr. Newburn's files.

#### COMMENCEMENT COMMITTEE

Johnson reported that the committee met with Lee Smith, who said that if senior grades were turned in the Wednesday of the final week of school, the seniors could graduate the Monday of testing week. This proposal is to hold seniors in classes until school is finished. The seniors would have two days in which they might not be required to attend classes, but the professors could threaten attendance. The final decision on this matter is to be made Tuesday, November 1. Johnson said that he wanted instruction from Central Board for voting. ~~Johnson said that the traditional senior week would be final week. Another proposal was that there be no senior week whatsoever.~~ Lee moved that Central Board endorse the proposal that seniors grades are

due in to the registrar Wednesday of the final week of classes and that Commencement would be held the following Monday. Seconded by Bon, Lee asked Stone if the teachers would actually threaten graduation on the basis of attending classes the last two days. Stone said that it would depend on what the faculty as a whole adopted. Cogswell asked if this would be a wise proposal to approve, and would rather leave the matter to the discretion of Lee and Johnson. Johnson again stated that he wanted Central Board's instruction. Whitelaw inquired as to the weight student votes carried on the committee. Johnson said that was rather obvious as there is six faculty and two student members of the committee. Farrington asked that this be explained to the student body. Lee said she thought that this would affect only the seniors and not the rest. Farrington said that today's juniors are tomorrow's seniors. Johnson said that Central Board was a representative of all classes. The motion was carried 5-4, with Lee, Dodge, Ulvila, Morris, and Romstad in favor; Datsopoulos, Colness, Carlson, and Whitelaw opposed; Mossey, Bon, Johnson, Cogswell, Oswald, and Stone abstaining. Oswald said that the senior examinations and class attendance would probably have decisions with the individual instructors.

#### PUBLICATIONS BOARD

Walsh reported that Publications Board had recommended Gary Guest as associate photographer of the Sentinel and Mike Davidson as Kaimin Photographer. Guest is only a freshman, but was recommended in spite of the bylaw ruling that one quarter of school is necessary. Carlson moved that the recommendations be accepted and that the bylaw requirements be waived in the case of Guest. Seconded by Datsopoulos, Cogswell said that this would be all right procedurally. Stone answered that this would need a 2/3 vote. Motion passed unanimously.

#### OLD BUSINESS

Johnson moved that the table be removed on the bylaw proposal. Seconded by Whitelaw. Carried unanimously. Walsh said in view of changing the term chairman to editor would imply that the editor would have no control over funds and would have to have a business manager. Colness asked why the bylaw was even necessary. Walsh said that the proposal would streamline the committee system by having "M" Book responsible to Publications Board. If Central Board would have to approve the editorship as recommended by Publications Board, the work would be doubled instead of streamlined. Colness said that under Sec. a, the Secretary should file the minutes with the Pub. Board chairman rather than the Vice President. As there was no objection to this change the proposed bylaw stands as follows:

## Division II, Article III, Section 6

"M" Book Committee shall be the responsibility of the Publications Board.

a. Membership. This committee shall be composed of a chairman and student members appointed by Central Board. The chairman shall appoint a secretary, who will file a report of each meeting with the Chairman of Publications Board.

b. Duties. This committee shall have general supervision over the publication and distribution of the freshman "M" Book.

Walsh said that this would bring a working committee which would include the freshmen. Remstad asked if the committee did the actual editing and if so wouldn't the chairman need more experience and be screened by Pub. Board. Walsh said that there wasn't that much actual work, they looked at the last year's book and set up a similar one. Most changes made were to correct deficiencies. Motion carried, unanimously. Ulrich announced that he would have to change his organizational chart.

### MODEL UN

Ulrich recommended a selections committee to screen and choose Model UN delegates as follows: Paul Miller as chairman, Buzz Romstad, Central Board, Ron Long, Arashmides Monjazebe, Dr. Stillson and one other faculty member whom Dr. Stillson will approach. Lee moved that this recommendation be accepted. Seconded by Johnson. Carried, 12-0, with Bon and Romstad abstaining.

### JUDICIAL COUNCIL

Ulrich announced that J-Council interviews were not held last Saturday due to the lack of sufficient applicants. The applications have been reopened. Interviews will be held Sunday evening, October 30, at 6:45. The committee from Central Board for the interviewing is: Ulvila, Datsopoulos, Johnson, Colness, and Dodge. The applications are due Friday at 4:00 p.m. Requirements to be met include a 2.5 overall grade point average. Vacancies are for a junior man, junior woman, and a senior man, plus a recorder. No grade requirements are necessary for the recorder.

Morris moved that ASMSU contact the city of Missoula to secure a stop light or other traffic facilities for the intersection of Arthur and University. Dodge Seconded. Johnson said that the city put a traffic light on Arthur and Evans and might want to wait to see the improvement of this before issuing another. Lee said that the problem here arises from the pedestrians. Cogswell answered that school children cross on Arthur and Evans. Motion passed 13 $\frac{1}{2}$ -2, with Stone opposed. Ulrich appointed Dodge, Johnson, Datsopoulos, and Morris as chairman, to contact city officials.

#### NEW BUSINESS

Ulrich read a letter from Ed Chinske, who recommended Jerry Robbins, Phi Delta Theta, for the fifth member of the Men's Intermural Sports Board. Johnson moved the acceptance of this recommendation. Seconded by Carlson. Carried 12-0, Lee and Ulvila being absent. Celness by proxy.

#### INTERNATIONAL DINNER

Ulrich read an announcement from Carol Cooper, chairman of International Students Committee, stating that an International dinner, sponsored by the Cosmopolitan Club, would be held Sunday, Oct. 30, 6:30 p.m. in the religious center. Tickets are \$1.50. Oriental, Indian, Argentine foods will be served.

#### J-COUNCIL

Ulrich announced that J-Council feels a need for a qualified person for J-Council recorder and that this group has difficulty in finding someone. It was suggested that a salary of \$15. per month be paid. This secretary will record cases, take minutes and do general secretarial work. Agen said that it was the consensus of the council to have Central Board give a wage of \$15 to this person. Whitelaw asked if this position had already been set up. Ulrich said that this was an established position and that this would be more or less of an allocation. Whitelaw moved that a bylaw be drafted to establish the recorder of Judicial Council as a permanently paid position, with a wage of \$15 per month. Seconded by Datsopoulos. Johnson said that planning board would rather that this not be done, that other persons do as much work without pay. Agen said that this is too much for a non-paid secretary and that it is important to the status of the council. Farrington opined that the value of the paid positions was not so much on the work basis but on keeping accurate minutes; this is a moral issue. The transgressor would receive more protection. Agen said that the quality of the work would be raised, and a complete recording would be had. Stone answered that they couldn't have a transcript for \$15. Agen said that they could get a more qualified person. Motion was passed 7-2, with Johnson and Carlson opposed, and Ben, Oswald, and Stone abstaining. Farrington said that this would be another member. Ulrich said that there would be 12 members on the council plus a recorder who would not have a vote.

#### CAMPUS DEVELOPMENT

Morris stated that he thought the campus needed more bike racks and benches. Johnson said that the planting of grass back of Craig Hall had been suggested. He also said that he thought a recommendation should be sent to Campus Development committee for action. Ulrich said that things on that committee were moving in this direction. Agen

asked Cogswell that if more and more bikes appear on campus would student stickers be necessary for them. Cogswell chuckled. Ulrich stated that Mr. Crowder plans to beautify the campus through the Campus Development committee. Johnson moved that a letter of endorsement be sent to Campus Development and a copy of this to Crowder, recommending that benches be placed around campus, bike racks be installed in front of buildings and that the quadrangle between Craig and Elrod be planted to grass. Seconded by Morris. Carried unanimously.

Johnson moved that Central Board recommend to Dr. Newburn that if the Grizzlies win the MSC-MSU football game that a holiday be declared for the following Monday. Seconded by Morris. Johnson suggested that this might be possible with the backing of student opinion. Carlson suggested that this be called "Johnson Day". Datsopoulos said that this would definitely add to the spirit of the game. Bretz suggested that this would also depend upon proper conduct after the game. Johnson said that if this is approved that it should be clarified to all schools and departments.

Cogswell said that he thought President Renne, Montana State College, had committed himself years ago when MSU was winning the football games. Cogswell said he felt that this was not a good idea. Motion passed 9-0, with Cogswell, Oswald, and Stone abstaining.

There being no further business, the meeting was adjourned.

Respectfully submitted,

*Diane Mossey*

Diane Mossey  
Secretary, ASMSU

Present: Ulrich, Datsopoulos, Mossey, Bon, Colness, Johnson, Lee, Carlson, Dodge, Ulvila, Morris, Romstad, Whitelaw, Cogswell, Oswald, Stone, Sankovich, Adams, Cooper, Lehrkind, Minteer, Mowatt, Farrington, Bretz, Goddard, Kavanagh, Bieri, Vasser, Nicolet, Ragland, Olsen, Walsh, Dullenty, Green, Agen.
